Countryside Escapes

The Art of Relaxation at England's Cosy Pub Retreats

When we opened our first pub in 2010, we had a simple vision: to create welcoming, characterful pubs with rooms in some of the loveliest corners of the English countryside. Over the years, that idea has grown into a small but special collection—each one a place where guests can slow down, relax, and enjoy the best of food, comfort, and rural charm.

Our pubs are full of personality, set in scenic spots from the South Downs to the New Forest, and from Windsor to Winchester. We've taken care to make each one feel homely—whether you're enjoying a summer lunch in the garden or warming up by the fire with a glass of red on a winter's evening.

The food is central to everything we do. Our menus celebrate fresh, seasonal ingredients, and we take pride in serving proper countryside cooking—unfussy, flavourful, and satisfying.

Most of our pubs also have rooms, each one individually designed and full of charm. Whether you're staying above the pub or in a converted stable or cottage nearby, you'll find thoughtful touches, ensuite bathrooms, and all the comforts you'd expect. And in the morning, there's nothing better than a freshly cooked pub breakfast to set you up for the day.

We're lucky to be based in areas rich with walking trails, historic towns, and natural beauty—but equally, you might just choose to stay put and soak up the calm. For us, it's about creating spaces where people feel instantly at home.

So if you're looking for a cosy escape, a good meal, or just a pint in a beautiful spot, we'd love to welcome you.

All our inns provide dog-friendly accommodations, ensuring your pet enjoys the stay just as much as you do. For a small room supplement, your dog can relax in style. Plus, our pubs welcome dogs and even offer the delightful "Sir Woofchester" dog menu, featuring a roast dinner and the paw-sitively fabulous 'paw star Martini.' Treat your four-legged friend to a holiday worth barking about!

We're Proud to Keep Investing

We're continually enhancing our pub estate, and we're thrilled with the positive feedback from two of our latest projects:

At the Running Horse, we've just finished a full refurbishment of all the bathrooms in our guest rooms, further elevating the quality of the accommodation following previous upgrades to the pub and bedrooms.

At the Winning Post, following a full pub refurbishment a couple of years ago, we've now completed a total upgrade of our boutique bedrooms — establishing it as the flagship venue of our group.

Tis the season...

Summer is behind us and the festive season will be here before we know it. Christmas may still feel a little way off, but tables fill quickly at this time of year. There's nothing better than having your plans sorted well before the rush.
